

Departmental Volleyball Tournament, 2023

A friendly volleyball tournament was organized by the department of Chemistry, Katwa College on 14/03/2023 at the College quarters' premises. The students and the staff are divided into three teams namely Team Howrah Local, Team Vande Bharat and Team Azimganj Express. After the league matches, Team Howrah Local and Team Vande Bharat reached to the final. In the final, the later team defeated the former by 2-1 match. Dr. Arun Kumar Patra, the HOD of Commerce, was the referee in all those matches. At the end of the tournament, some snacks were distributed among all players and the others present there by the non-teaching staff of the Chemistry department.
